## ENJOY ME TIME IN NATURE!

Engage with all your senses and take a picture of the unforgettable scenarios when you discover the following...

When you hear water flowing in nature When you hear birdsong

When you smell freshness in the air

When your fingers touch a special texture

When you see something that makes you say 'wow' When you find an area with no one else in sight

When you find something edible in nature

When you encounter something that makes / you smile

When you see hope for the future When you feel at one with nature

## BE THE NATURE PAINTER!

- Cut along the dotted line to create a frame
- Wander around and observe how beautiful and colourful nature is
- Place the frame onto the grass, a leaf, or any natural background you like or attracted to
- Simply sit back and let nature fill the picture with colour!
- Appreciate nature's artwork
