Little Fish Journey

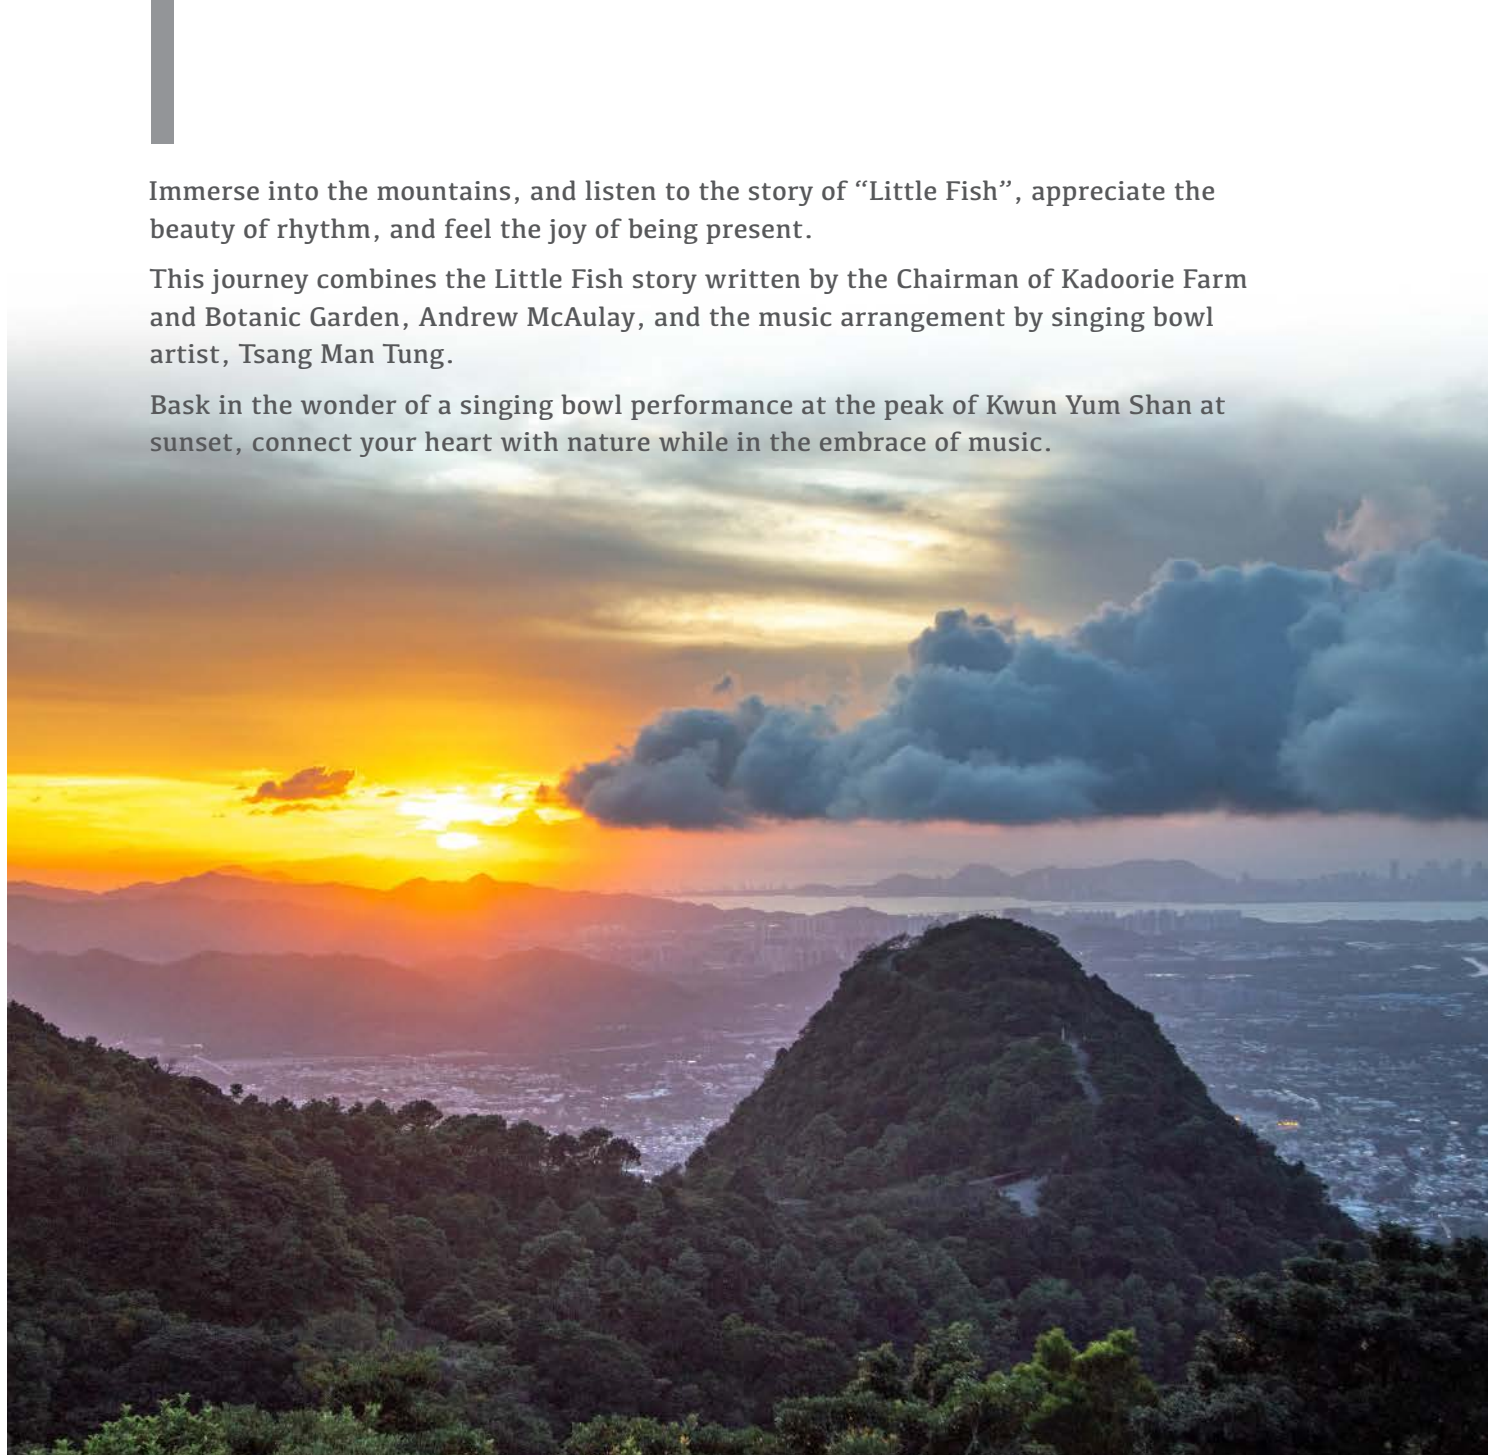

A Mindful Experience in Nature

Immerse into the mountains, and listen to the story of “Little Fish”, appreciate the beauty of rhythm, and feel the joy of being present.

This journey combines the Little Fish story written by the Chairman of Kadoorie Farm and Botanic Garden, Andrew McAulay, and the music arrangement by singing bowl artist, Tsang Man Tung.

Bask in the wonder of a singing bowl performance at the peak of Kwun Yum Shan at sunset, connect your heart with nature while in the embrace of music.
